SECTION E – Payment Information (Applications without payment cannot be processed)

Your first payment for one month's premium will be taken when your application is approved. The next payment (for one month's premium) will be taken on or about your coverage start date (your coverage effective date), depending on the day of the week the first of the month falls. This ensures your payments (and benefits!) are secure a month in advance. Subsequent payments are taken on or around the first of every month. You can begin using your Health Assist benefits on your coverage effective date. Questions about payments? Call 1-800-268-6613, ext. 4460.
